CURRENT BUSINESS DIRECTORY AND COMMUNITY GUIDE

Thank you for your interest in Morgan Hill. Whether you are a resident, visitor, business person, employee, developer or just curious you will find a wealth of resources in this guide. Morgan Hill is a vibrant and diverse community with a fascinating past, a bustling present and an exciting future.

Although our business roots are agricultural, today Morgan Hill is home to global companies (i.e. Infineon, Specialized, Anritsu, Sakata Seed, TenCate Advanced Composites), contract manufacturers (i.e. Golden State Assemblies, Pinnacle Manufacturing, Contract Manufacturing Solutions), specialty producers (i.e. Aircraft Covers Inc., Mission Bell Manufacturing & Kettle Cuisine), distribution powerhouses (i.e. Young's Markets, Lusamerica Fish) and many more. This highly diversified business base combined with our great Silicon Valley neighbors to the north helps to support a thriving outdoor recreation scene, booming specialty restaurant sector and a seemingly endless number of special events large and small through which people connect with one another and enjoy what the city has to offer.

This booklet is designed both as a starting point for your exploration of Morgan Hill and as a reference for use throughout the year. The companies and organizations that have chosen to be part of our very active Chamber of Commerce typically are community oriented and operate to the highest ethical standards. We encourage you to look to them first when you are in needs of goods, services and activities. In recent times there is always a question of how much to commit to paper and what to simply provide electronic access to. Our experience has been that both means of communication remain very relevant. The business listings in this directory are constantly being added to and updated throughout the year on our website at **www.morganhill.org**. You can also reach us by phone at **408-779-9444** if you would like further information.

We appreciate the time you are taking to find out more about the community we are so proud to call home. Thank you for learning more about Morgan Hill!

We are proud to live, work, dine and play here and hope you enjoy exploring Morgan Hill.

John Horner, *President*
and the Chamber Staff

CITY OF MORGAN HILL

MESSAGE FROM THE MAYOR

Many think of Morgan Hill as a "hidden gem" located in the southern part of Silicon Valley where we enjoy the temperate climate allowing lots of outdoor enjoyment. We are a vibrant community of people that care deeply about promoting a high quality of life and work vigorously to obtain it. As we have grown to nearly 45,000 residents, we have preserved our rural small-town feel and volunteer spirit that brings us together and enables us to thrive. With a "get it done" attitude, our residents enthusiastically contribute to improving their community. They remain determined to make this special city even better!

Our extensive, comprehensive community facilities include the downtown Community and Cultural Center, the Aquatic Center and its neighbor, the Outdoor Sports Center, our indoor Centennial Recreation Center that also incorporates both a Youth and a Senior Center, and our great Morgan Hill Library that is about to undergo an expansion. Please take the opportunity to visit some or all of them!

We are proud of our accomplishments in and plans for our downtown. It has been infused with vitality and is becoming a destination gathering place where visitors and residents can enjoy wining, dining, shopping, entertainment and social interaction. Three downtown parks will open this fall and a downtown boutique hotel is about to break ground. Art and lighting enhancements provide a warm and welcoming feeling.

On behalf of our City Council, we welcome new visitors and thank our residents, businesses and regular visitors for all you do to make Morgan Hill the special place it is. We hope you will partake in the events, wineries, dining, entertainment, shopping, performing arts, and recreation of all types that Morgan Hill offers.

ENJOY!

5 REASONS TO LOCATE YOUR BUSINESS IN MORGAN HILL

1. Quality of Life.

A thriving downtown, lower-cost housing market, award winning school district and many exceptional recreational choices in a mild Mediterranean climate.

2. Excellent Existing Labor Force

Morgan Hill has an abundance of innovators with approx. 335 patents issued annually to residents. A majority of citizens have at least some college, with 40% having a Bachelor's degree or above.

2. Above Average Employee Retention

Employers in Morgan Hill enjoy a much lower employee turnover rate than is typical in Santa Clara County.

4. Co-Operative and Business Friendly City Management

In the 2017 Economic Blueprint the City stated it's intent to further the community's quality of life by attracting investment, development and jobs that will ensure Morgan Hill's continued economic prosperity.

5. Availability of Industrial and Commercial Buildings, Land and Office Rental Space.

The city offers 6.2 million square feet of Industrial, R&D and manufacturing space, with 150 acres of vacant Industrial land available for job growth.

Villa Mira Monte

The Crown Jewel of Morgan Hill's History

ABOUT MORGAN HILL
HERITAGE

Diana and Hiram Morgan Hill built their country estate, Villa Mira Monte, in 1884 between the railroad and Monterey Road in the shadow of El Toro, a prominent hill in the eastern foothills of the Santa Cruz mountains. When the 1st Southern Pacific station was built in 1898, the railroad referred to this area as Huntington Station. Many visitors would request the train stop at "Morgan Hill's Ranch," the stop became known as Morgan Hill. The City adopted this name when it incorporated in 1906.

Villa Mira Monte, our City's National Landmark, is where visitors can engage with Morgan Hill's history through docent or self-lead tours. From the oldest known travelers and settlers through the abundant agricultural heritage and up to today's thriving wine and tech era, Morgan Hill is full of interesting antiquities. Architectural and historic home enthusiasts will marvel at the two preserved homes, each over 100 years old. Visitors of all ages have the opportunity to learn about the indigenous people of this area. The collections of the museum reach as far back as the first contact with Native Americans in the 1700s. You will be surprised by some of the names, families and events that are a part of our enticing history!

The Morgan Hill Historical Society owns, operates and maintains this 2½ acre site which includes Morgan Hill Museum, Hiram Morgan Hill House, Centennial History Trail and Rose Gardens. This property is what remains of the ranch once owned by the town's namesake, Hiram Morgan Hill and Lady Diana Murphy Hill. It has been passionately preserved by an all-volunteer, non-profit organization and their members since 1992. The Morgan Hill Historical Society sponsors many educational and social events throughout the year. The Hiram Morgan Hill House is also available for event rentals. For more information and hours of operation, go to:

What’s Ahead for the City of Morgan Hill

General Plan and Master Plans

“Maintain and improve our community’s high quality of life!”

Morgan Hill is a unique and special place in Silicon Valley because of its residents, businesses, and organizations. Over the years, thoughtful land use planning and growth management has also played a key role in making Morgan Hill one of the area’s most desirable communities. Planning is an ongoing priority for the City Council and will be a key theme in the year ahead as several major plans that provide the direction for Morgan Hill’s future are adopted and implemented. These efforts are centered on the goal to ensure the plans reflect the community’s interests and that we are responsible stewards of public resources.

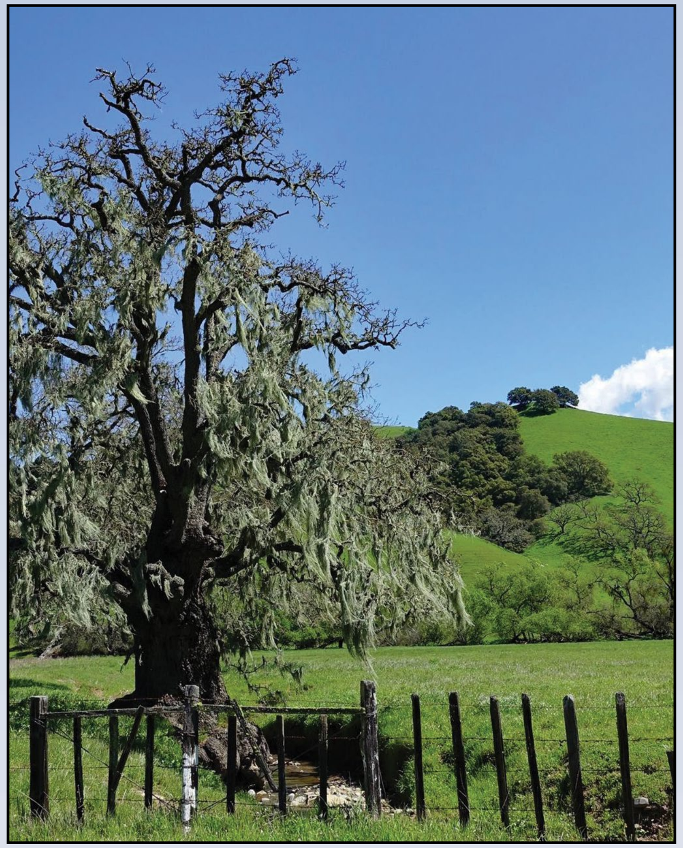
Morgan Hill 2035, a major planning process that has spanned the past three years, will culminate with the completion and adoption of the updated General Plan later this year. The newly updated General Plan will help guide land use development and conservation and the delivery of municipal services for the city over the next 20 years. The updated General Plan will guide the city’s economic and physical growth as well as maintain and improve our community’s high quality of life.

The City is also preparing an update to the City’s voter-approved Residential Development Control System (RDCS) in conjunction with the General Plan Update. The RDCS, Morgan Hill’s 40 year old growth management system, is being updated since the current version will expire in 2020. Key components of the RDCS update will be to establish a new population cap (not a target), set an annual number of allotments for residential building permits, maintain requirements for community amenities, and protect Morgan Hill’s community character, while simplifying and clarifying competition procedures. A final draft RDCS will be completed in the spring of 2016 and is scheduled to be included on the November 2016 ballot for voter consideration.

The Bikeways, Trails, Parks and Recreation Master Plan, which guides the improvement and future development of a robust bikeways, trails, parks and recreation system in Morgan Hill, is also in the planning process and will be adopted this fall. It weaves together three separate plans and will create a current, comprehensive and community-driven tool for prioritizing public improvements and investments. This Master Plan will also help support goals and programs to improve our city’s health, environment, connectivity, and recreation options.

We are also embarking on the development of the community’s first Public Safety Master Plan for Morgan Hill. The goal of this Plan is to help identify future service levels and operational best practices for police, fire services, and emergency medical services, all of which are high priorities for our community.

What's Ahead for the City of Morgan Hill . . .



Parks and Recreation

In addition to the planning and implementation of the above mentioned Master Plans and the General Plan, there will be a continued focus and investment in Morgan Hill's downtown with a hill top trail, two downtown parks and a significant amount of private development. All of this is intended to make our downtown a vibrant, inviting, and fun place to shop, dine, and play.

The "Hill Top Trail" will connect Third Street to Fifth Street at Del Monte Avenue. The new trail will provide a unique health and wellness related walking/running path right near the downtown. The inclusion of exercise equipment in the design furthers the concept of providing health and wellness opportunities for residents and visitors alike. An additional feature of the trail will be the inclusion of slides that use the existing grade of the hill to provide a fun experience for children and adults.

The "Depot Street Park" is planned to replace 54 parking spaces within the parking lot adjacent to Depot Street just south of the train platform. This will be an "active" park space with play equipment designed to serve younger children and families.

The "Little West Llagas Creek Park" will be constructed on the north side of West Third Street in the City owned property that has been planned as a park for some time. The park will utilize the area's natural features to provide a welcoming area just steps away from the City's downtown. Benches, tables and pathways will be included as well as potential recreation features that are more passive in nature.

2016 is sure to be an exciting year for the Morgan Hill community. The City thanks the community for being engaged in all of these efforts (and many more) as we work together to make Morgan Hill the envy of Silicon Valley.

Real Estate *South County*

Leonette Stafford
Realty World People to People and
Morgan Hill Chamber of Commerce Ambassador Chairperson

The Morgan Hill community has a thriving real estate market, with a consistent increase in equity and decreasing inventory, there are often multiple offers on homes priced at market value.

Morgan Hill has also seen an influx of housing for the senior community with at-market and rate adjusted senior rentals. There are options for affordable home ownership with an active Below Market Rate (BMR) program, which has new units being added on a yearly basis.

The town of Morgan Hill is a place where residents feel a sense of community that many of the cities to the north of us are losing. That along with our school district being honored for outstanding, innovative schools as California schools of distinction under the state's new "Gold Ribbon Awards Program" and the recent Britton Middle School "Tech Academies of Innovation" award, buyers are increasingly looking to Morgan Hill as a place to call home.

HOUSING STATISTICS

70% of Morgan Hill housing units are owner occupied

HOUSING UNIT BY TYPE

63% of all housing units in Morgan Hill are Single Family Homes
13.2% of housing units in Morgan Hill are townhomes
8.5% of housing are small apartment complexes
9.2% of housing units are large apartment complexes
5.8% of housing are mobile homes.

VALUE

75.4% of Morgan Hill homes are valued over $500,000
23% of homes are valued between $200,000 and $499,000

AGE OF HOUSING STOCK

18% of Houses were built after the year 2000
70% of Morgan Hill houses were built between 1970- 1999
12% of houses were built prior to 1970

EDUCATION IN MORGAN HILL
PUBLIC, PRIVATE AND ALTERNATIVE SCHOOLS

Morgan Hill School Listings and Programs

The award winning Morgan Hill Unified school district encompasses about 300 square miles of the Southern Santa Clara Valley and serves over 8700 students from Morgan Hill, San Martin, South San Jose, and unincorporated South County. Both middle and high schools are among California's top elite Gold Ribbon Schools. In December, Morgan Hill's Lewis H. Britton Middle School was awarded the prestigious Golden Bell Award for 2015, recognizing Britton's "Innovation in Education". Recently the MHUSD board unanimously approved plans for Paradise Elementary to transition to an Engineering Academy, joining Jackson Academy of Music and Math and San Martin/Gwinn Environmental Science Academy in focusing on inquiry-based exploration and project-based learning.

As part of the school district's Technology Integration Plan, all Morgan Hill middle school and high school students are issued a Chromebook for their exclusive use at school and at home. At every grade level one-to-one devices are being used. This is an exciting time for technology in the MHUSD.

MHUSD has 8 Elementary schools, each with unique characteristics designed by parents, staff and area business partners. There are 2 middle schools, with open enrollment for any student in the district. Morgan Hill's 2 Comprehensive High Schools, 1 Continuation High school, and 1 Community Adult School have some of the highest graduation rates in the state. There are 3 public elementary/middle Charter schools. MHUSD also supervises an active K-8 Home School program.

Alternatively Morgan Hill supports many Private schools, including Mount Madonna School, Extreme Academy, Stratford School, St. Catherine Elementary K-8 and Oakwood School (Morgan Hill's largest private school).

Gavilan Community College has a satellite campus located in the Morgan Hill Community center and recently broke ground on a new high tech site in Coyote Valley that along with several new class offerings will become the campus for public safety training of police officer recruits. Gavilan is accredited and students receive full credit in major Colleges and Universities throughout the US.

BRITTON MIDDLE SCHOOL
SCIENCE FAIR

Britton Middle School

Britton Middle School is being rebuilt from the ground up, with a completion date of 2019. The new Britton will offer students brighter and more aesthetic learning environments while also serving as a new gateway to the revitalized downtown area.

Morgan Hill Math is an outreach program sponsored by The American Institute of Mathematics (AIM). Starting with Mathletics, an after school program for mathematically talented kids, the program provides coaches and math enrichment for students in 4th through 12th grades. Morgan Hill Math and AIM also sponsor Math Game night once a month, at the Community Center. Most games are appropriate for ages 8 – Adult.

Each year over 800 students enroll in the Morgan Hill Community Adult School to help improve their English skills, earn credits toward graduation, learn to paint, get fit, or even earn their GED or High School Diploma.

The Morgan Hill Chamber of Commerce, and area businesses are honored to be involved with the local schools through volunteering at the local Science Fair, Career Days, and numerous outreach programs, award ceremonies, scholarships, and the annual "Rock the Mock" program that helps high school students prepare for job interviews, and in honing their business skills.

MESSAGE
FROM THE
SUPERINTENDENT

What an exciting time to be part of the Morgan Hill Unified School District! Sobrato & Live Oak High Schools, Martin Murphy & Britton Middle Schools continue to shine as California Gold Ribbon Awarded schools. Thanks to Measure G funding, many of our facilities are seeing state-of-the-art upgrades, and every classroom in MHUSD is equipped with one to one technology, making our district one of the few in the county that gives every student daily access to technology. This not only helps students learn, but it also helps to level the playing field for students across the socioeconomic divide.

Britton Middle School is being rebuilt from the ground up, with a completion date of 2019. The new Britton will offer students brighter and more aesthetic learning environments while also serving as a new gateway to the revitalized downtown area.

Paradise Valley Engineering Academy (PVEA) completed its first year as an engineering academy with great success and many accolades from parents. This fall PVEA will open its doors with two cutting edge Gen7 buildings which will add six new environmentally conscious and healthier learning spaces to the academy.

Additionally, with the new school year comes the opening of El Toro Elementary School as the new El Toro Health Science Academy. The new academy will focus on our students gaining an understanding of anatomy, physiology, psychology, nursing, biology, chemistry, life science, earth science, physical education, ecology, and nutrition.

We remain dedicated to our neighborhood schools and are focused on ensuring that each of them are top schools in Santa Clara County. Nordstrom, Los Paseos, and Barrett Elementary Schools continue to thrive and set the bar high for our students. And now with five academies within MHUSD (P.A. Walsh STEAM Academy, Jackson Math and Music Academy, San Martin/Gwinn Environmental Science Academy, Paradise Valley Engineering Academy, and El Toro Health Science Academy) we have witnessed unprecedented heights in our campus moral and curriculum structure at these sites.

Students at all of our schools are thriving, teachers and admin staff are happier, and the outpouring of positive feedback and support we have received from families, businesses, and neighbors has been exceptional.

Also new for the 2017-2018 school year, we are expanding our partnership with The Tech Museum of Innovation. Three years ago we began our collaboration with P.A. Walsh STEAM Academy, and it has been a windfall for our district ever since. Expanding that partnership to El Toro Health Science Academy and Britton Middle School will allow more of our students to continue from elementary school to middle school on a similar STEM pathway while furthering their knowledge and in-depth practice of hands-on learning.

While preparing our students to succeed in a STEM-driven world, we are also focused on the global job market. The Seal of Biliteracy is quickly becoming one of the greatest assets we can bestow on our graduating seniors. This year, eighty-six Live Oak and Sobrato High School students graduated with the Seal of Biliteracy, more than doubling the previous year, setting these students up for success. Furthering our dedication to preparing our students, our very first Dual Immersion cohort graduated from 5th to 6th grade and continue to the lead the pack in our DIME program.

There are so many great things happening in MHUSD that I cannot possibly fit them all on one page. I encourage you to follow us on Facebook or pick up one of our new MHUSD District Guides to learn more about our schools and programs.

Sincerely,
STEVE BETANDO
Superintendent, Morgan Hill Unified School District

ACTIVITIES AND LEISURE

ENJOY ALL MORGAN HILL HAS TO OFFER

Events and Activities of the Southern Santa Clara Valley

Morgan Hill provides a wide variety of activities to enjoy the mild climate and natural beauty of Southern Santa Clara Valley.

The **Chamber of Commerce** provides the free **"Friday Night Music"** series concerts from June through the end of August at the Downtown Amphitheater where we pour craft beers and showcase local wines. The historic downtown often hosts events that bring visitors and residents together such as classic car shows, wine strolls and beer crawls and the **Annual 4th of July Parade**. Enjoy wine tasting at several award winning wineries along the **"Wine Trail"** with the Wineries of Santa Clara Valley or join in on the excitement at Morgan Hill's outstanding festivals, the **Taste of Morgan Hill** also hosted by the M.H. Chamber of Commerce held the last weekend of September or the **"Mushroom Mardi Gras"** during the Memorial Day weekend.

MORGAN HILL DOWNTOWN AMPHITHEATER

The Outdoor Sports Center hosts over 30 sporting events each year drawing more than 650,000 local, regional and national visitors for football, soccer, lacrosse, field hockey, Ultimate Frisbee and rugby, as well as local events like the annual 4th of July fireworks celebration. **The Dennis Kennedy Aquatics Center** had more than 15 meets last year and thousands of visitors to the water slides and recreational swim areas.

Morgan Hill boasts over 25 parks, including the largest state park in Northern California, **Henry W. Coe**; host to the annual **Tarantula Fest**. At **Community Park**, you can find a large duck pond, the dog park, ball fields, tennis courts and a skate park. Enjoy boating and fishing at reservoirs and creeks including **Anderson Lake County Park**. Take advantage of local tent and RV camping and the miles of hiking and horseback riding trails in and around Morgan Hill.

WINERIES OF SANTA CLARA VALLEY
WINE TRAIL

Santa Clara Valley Wine

History and Wineries near Morgan Hill.

"California's First Premium Wine Producing Region"

Now recognized internationally as "Silicon Valley" it is easy to forget Santa Clara Valley's role as California's first premium wine production region. Native Americans named the area **"the Valley of the Heart's Delight"** due to its scenic beauty, mild climate and highly fertile soil. French and Italian immigrants who settled here during the Gold Rush era recognized the rich soils and Mediterranean climate as the perfect home for their European grape varietals. Most California wineries are family owned businesses and unfortunately the high cost of land in the Silicon Valley caused several established vineyards to be uprooted. The wineries that have endured, like Guglielmo who celebrated their 90th anniversary in 2015, are a testament to the perseverance of local winemakers.

Every wine tasting experience will be different, so it is a good idea to plan to visit several wineries.Do your research; check the hours that the wineries you are interested in will be open. Some of the smaller wineries are open by appointment or on a unique schedule.

The most common tasting is a Wine bar tasting, where you step up to a bar or counter area and the winery will provide you with a list of wines that will be poured. Some wineries will offer a sit down, or table service tasting. These would most likely require an appointment.

If available you can also enjoy a winery tour or walk around tasting. During special events a barrel tasting will be included during the tour.

Local Cuisine and Farmers Markets

Morgan Hill is home to a flourishing local restaurant scene. Throughout the city there are several established, award winning restaurants as well as exciting new options and many eateries planning to open soon. Because of south valley's excellent weather, there are numerous restaurants with open space or outdoor dining options.

Morgan Hill has an outstanding year-round Farmers Market and several of our local farms provide farm to table produce along with seasonal fruit and vegetable stands.

Celebrate Morgan Hill

A NOMINEE'S HISTORY OF OUTSTANDING SERVICE, CIVIC INVOLVEMENT
AND LEADERSHIP IN THE COMMUNITY OF MORGAN HILL

Celebrate
Morgan Hill
Chamber of Commerce
Silicon Valley

Each fall since 1957 the Morgan Hill Chamber of Commerce has accepted confidential nominations for the Celebrate Morgan Hill event. The Recipients which are selected by a committee of prior award winners are celebrated in February at a formal themed dinner.

~ • ~

The Celebrate awards are in recognition of the nominee's history of outstanding service, civic involvement and leadership in the community of Morgan Hill.

2017 "CELEBRATE MORGAN HILL" AWARD RECIPIENTS. . .

MAN OF THE YEAR - *Ron Woolf*

For 25 years Ron has served on the Morgan Hill Mushroom Mardi Gras Board as treasurer and administrator of the MMG scholarship program. He served as a Teachers Aid Coalition Board Member, is currently on the planning committee for the Chocolate and Wine Event that raises money for local teachers, and has been on the Morgan Hill Federation of Teachers for 15 years. Ron served on the Board of Trustees with the Morgan Hill Unified School District, and was the ASB Director at Britton Middle School for 11 years. Education is very important to Ron, he and his wife Peggy give 3 personal scholarships, (Sobrato, Live Oak and Central) out of their own pockets each year.

WOMAN OF THE YEAR - *Mary Lou Conragan*

Mary Lou has been a member of the M.H. Kiwanis Club since 2005 and served as President for three years. She has been the Chairperson of the Holiday Lights Parade for several years, Key Club Advisor at Sobrato High School, Turnaround Scholarship Committee Chair, Register of Voter Courier Chair and the annual cioppino feed chair for two years. She has also been a docent at Gilroy Gardens and volunteers weekly at Cecelia's Closet and Food Pantry.

EDUCATOR OF THE YEAR - *Jim Hemeon*

Mr. Hemeon has taught in the science department of Live Oak High School for 21 years and has been a educator for 37 years. He mixes his love of music, his eccentric humor, real-life examples and analogies to lead his students to a mastery of the complex field of science. He is not just a teacher, but an administrator, a coach and an advisor. When we put out the news release that he had been chosen as Educator of the Year, we had well over 500 "likes" on Facebook and more than 100 beautiful comments from previous students. If you want to know the impact that a good teacher can make, I suggest you look up the Facebook post from December 2016.

STUDENT OF THE YEAR - *Emmanuel Calivo*

Emmanuel is an amazing student who ranked in the top 1% of his class at Ann Sobrato High School. He has taken 11 Advanced Placement courses and earned the title of AP Scholar with Distinction by the College Board. Emmanuel was the President of FFA at Sobrato and also sectional President at the regional level. He served as a U.S. Senate Page for Senator Barbara Boxer in Washington D.C. in the summer of 2016. On weekends, he volunteers his time as a Teen Conservation Leader at the Monterey Bay Aquarium where he promotes environmental protection and interprets for visitors in Spanish and French. Emmanuel will be attending Harvard University in the fall.

VOLUNTEER OF THE YEAR - *Kathy Sullivan*

Kathy can be seen practically everywhere in Morgan Hill. She was on the Board of Trustees with the Morgan Hill Unified School District for 6 years, and is still involved with the District Advisory Committee. She has been an ambassador for the M.H. Chamber of Commerce for several years and assists with breakfasts, mixers, ribbon cuttings and so much more. Kathy is the Vice President of the Morgan Hill Downtown Association and can be found helping with the Movable Feast, Ladies Night Out, Brew Crawl and Wine Walk. Kathy is also very active with the American Association of University Women and is involved with the Morgan Hill Friends of the Library, and so much more.

BUSINESS OF THE YEAR - *Mission Bell*

Mission Bell, one of Morgan Hill's largest employers, specializes in quality architectural woodwork, reclaimed wood and custom casework. In 2016 and 2017 they were recognized with a "Great Place to Work" certification, as well as winning an "Innovator of the Year" Award by the National Center for Employee Ownership. Mission Bell is at the forefront of sourcing reclaimed wood and integrating it into both businesses and homes. They have given back to the community in more ways than we can mention here, but a few are helping to fund a new soccer field for the kids of East Palo Alto, supporting Bike 4 Breath for people with asthma and COPD, donating casework to Bay Area Cancer Connections, reconfiguring several homes to help support children with disabilities or hardships due to cancer. Employees throughout the company volunteer at the annual Gilroy Garlic Festival and Mission Bell donates their offices every Monday night to support Young Life, a non-denominational Christian ministry for teenagers.

MORGAN HILL CHAMBER OF COMMERCE

COMMUNITY & BUSINESS SUPPORT OF SOUTHERN SILICON VALLEY

The Morgan Hill Chamber of Commerce engages in activities built upon five main objectives. These objectives are: Promoting Morgan Hill's businesses, providing value added information and networking opportunities to the business community, representing business's perspective and concerns to local, regional and state governmental agencies, enhancing community spirit through public events, and promoting Morgan Hill as a place to work and play.

PROMOTING MORGAN HILL'S BUSINESSES:

Promote member businesses through both printed materials and active web and social networking presences (morganhill.org and Facebook.com/MorganHillChamber).

Each member has their own member information page which can be accessed via the Morganhill.org website. On that site is their company profile, business photos, logos, link's to the member website, you tube videos and more. In addition, members can upload galleries of pictures, special events, hot deals and job listings.

Member visibility can be found in this directory, via pamphlets distributed throughout the city including the outdoor sports complex, the aquatic center and local hotels, website banner ads., newsletter ads., business cards and brochures in the Chamber office.

VALUE ADDED INFORMATION AND NETWORKING OPPORTUNITIES:

The Chamber is perhaps best known for regular events such as our monthly "Good Morning Morgan Hill" breakfast and evening networking mixer. We have partnered with the Gilroy Chamber of Commerce to support the South County Young Professionals Network which produces a regular series of networking and educational event targeted to the young and young at heart local professionals. In addition to these in person standing gatherings, we coordinate specific interest meetings addressing topics of interest at our Environmental Affairs, Economic Development and Education committee meetings. These groups meet monthly to discuss and take action on a range of policy and project activities of interest in our community. From a business education standpoint, we cooperate with the Small Business Development center and the SCORE network to provide personalized business development coaching and small group training classes for local entrepreneurs and businesses. Our Education Committee supports a terrific interviews skills training program for local high school students (Rock the Mock), the annual Morgan Hill Science Fair, annual career exploration days at Britton and Martin Murphy Middle Schools and the Annual Read Across American Read-In at local elementary schools.

REPRESENTING BUSINESS TO GOVERNMENT:

The Morgan Hill Chamber of Commerce works hard to understand the needs and concerns of local businesses on a broad range of topics such as land use, workforce development, regulatory issues, tax/fee issues, employee safety and more. We participate in numerous public meetings and engage in conversations with governmental staff and elected representatives.

ENHANCING COMMUNITY SPIRIT:

The Chamber of Commerce hosts the annual Celebrate Morgan Hill awards dinner, the summer long outdoor Friday Night Music Series, and September's Taste of Morgan Hill festival which brings over 50,000 people to downtown Morgan Hill. All three of these events provide family friendly good times engaging residents and visitors to enjoy our amazing local lifestyle. You can find more about these events elsewhere in this directory. ***Come on out and enjoy them with us!***

PROMOTING MORGAN HILL:

Morgan Hill is a thriving, vibrant community with an outstanding lifestyle, compelling recreational and entertainment opportunities and room to grow. The Morgan Hill Chamber of Commerce is one organization tasked with promoting Morgan Hill, so people will both come here to enjoy themselves and bring new businesses here. We engage in activities such as the Regional Economic Development Initiative, the Santa Clara based multi-chamber Business Expo., the Wineries of Santa Clara County Wine Trail and others in order to promote all that Morgan Hill has to offer.

Each of our members chooses to support us for different reasons. Some companies focus on one of our areas of expertise while others find value in multiple arenas. We constantly work to do an even better job of supporting our members and the community at large.

AMBASSADOR PROGRAM

Program Mission

It is the mission of the Morgan Hill Chamber of Commerce Ambassador's to promote member commitment and retention by:

- Raising awareness of Chamber activities and benefits
- Informing and involving new Chamber members to promote strong continuing membership – acting as a "mentor" of sort.
- Encouraging meaningful and beneficial participation in the Chamber's programs
- Serving as a liaison between the Chamber staff and membership.

Who are the Chamber Ambassadors?

The Ambassador Program consists of volunteers from the Chamber membership who donate their time to assist the Chamber in promoting our local business community.
